VENICE is a pendant lamp designed by Adolfo Abejón, modern, versatile and minimalist. The aim of this collection is to create comfortable spaces through handmade work and a good choice of materials. Its blue lampshade is made of ceramic and has been handcrafted in a workshop in Barcelona and, thanks to its design, it fits perfectly in the lamp holder. You can assemble it yourself! VENICE will not go unnoticed, it is a great solution for interior lighting. You can also find it in black, white, pink and striped finishes. [Discover it here.](#)
